

EVERETT ROEHL MARSHFIELD PUBLIC LIBRARY

POLICY NUMBER: 3.210

POLICY TITLE: Emergency closure/inclement weather

ADOPTION/LAST REVISION: Adopted 4/11/89; Approved 2/8/94; Revised 9/19/17;
Revised 5/15/2021

Emergency closure

The library will close in emergency situations when the health or safety of staff and patrons may be at risk. Examples of situations that would warrant emergency closings include inclement weather or serious problems with building maintenance such as no heat or a gas leak.

The decision to close will be a collaborative decision made between the library director and a designated board member, taking into consideration the advice of the City of Marshfield administrator or public safety officials.
